Welcome to Crouch River Studio.

My name is Melinda Hopkirk and I am a self taught artist. I enjoy working in many different media, and while I do like getting messy with paint and ink I always seem to come back to digital art and photography, which is the current focus of my work.

I am interested in how colour and form can be manipulated to reimagine a scene or to highlight a detail that may initially seem insignificant but leads to the development of a new narrative for the object. I work from a small home studio near the River Crouch in the Dengie Peninsula in Essex which is a constant source of inspiration.
